

ICEL vzw
membership

Why Membership?

- ICEL is a registered non-profit organisation, membership is a legal requirement
- There is a need for more “togetherness”:
 - The boards needs the support and prayers from the members
 - The board is accountable and needs to be transparent towards the members.
 - The members should be representative for the entire and diverse church

What are the reasons to become a member?

You will be able to attend the General Assemblies (typically two per year), which will allow you to:

- Be informed about finances, plans, vision
- Vote for new members and board members
- Approve the budget and the annual report
- Ask the board for clarifications
- Ask for special meetings
- Vote for changes in the bylaws and the internal rules

Who can become a member?

Those who:

1. Agree with the vision and mission of ICEL
2. Agree with the statement of what we believe
3. Agree with the Code of Conduct and the statutes
4. Contribute to the vision and mission of ICEL through voluntary activities and financial support according to their ability

How to become a member

- Fill in the application form
- Give it to Christophe or another board member
- During the next General Assembly the new members will be accepted

What if you are not a member of ICEL?

All activities and programs of ICEL are for
EVERYBODY.

You will be equally welcome to all meetings, be
asked to work as a volunteer, etc.

In that sense there will not be any difference
between a member of ICEL vzw and a regular
church member.
